

South Asian Nation Bollywood Dance Classes for Kids Registration Form

South Asian Nation is starting a new and exciting Bollywood class for our youth. This class is meant for 4-10 year olds and we are looking forward to teaching your kids. We do expect kids to come to each class as they will learn over time and with younger kids especially, it is crucial for the kids to attend all of the classes. As the children learn more, they will gain confidence and learn more dance moves which will come in handy at parties, or just building interest in South Asian music. We will also provide the child the opportunity to perform on stage at various cultural events that are held across New England.

As for the classes themselves, we also recommend having the children wear clothing that will be easy to dance in. The children will have to dance either barefoot or have to wear dance specific shoes for the studio as outside shoes will not be allowed. Classes will be held every Sunday from 4-5 PM starting on Sunday, July 12th, 2015 at the Brookline Ballet Studio. You can also learn more about our classes and schedule on our website: <http://southasiannation.org/classbollywood.html>

We will have professional instructors who have competed and danced Bollywood/Fusion dance all over North America and take great pride in it. They look forward to teaching your children those skills as well.

Please mail these 2 pages along with \$20 non-refundable deposit to the address below. The deposit is non-transferable and will be used towards payment for your child's first class only. You can also prepay \$120 for the summer session (8 sessions) or pay \$20 per class on a drop in basis. We will leave the payment option to you.
